This will be the automated message that the family will receive based on which question they chose. If they reply with their contact info, add them to Zoho, call them (if they provided their phone number), and continue the FLUP process for a Zoho lead.	Hi {Name}! This {Your Name} at Code Wiz {location}. I hope you are having a great week!Have you had a chance to review the information that we sent in our previous message? Do you have any questions that I can help answer for you? I would love to invite you and your child to come in for a free trial class. Please let me know what the best email/phone number are to reach you so that we can the date that works best for you. A coding education is truly an investment in your child, and we look forward to helping you unlock your child's inner genius! See you soon!	Hi {Name}! know life gets busy so I thought I would reach out again to see when we could get you and your child scheduled for our free trial class. We would love for your child to join our community of budding coders and unlock their inner genius! Please reply with your best contact info, and any questions I can help answer for you. Looking forward to speaking with you soon!	Hi {Name}! This is {Your Name} at Code Wiz {location}. I hope your week is going well! You had inquired about our programs, and we haven't heard back from you yet, so I wanted to check in and see if you had any questions I could help answer for you? The best way to see for yourself if Code Wiz is right for your child is to come in for a free trial class. Please feel free to reply with your email and phone number, and we can get you scheduled for a class that your child is interested in! Looking forward to connecting with you soon!	Hi {Name}! know life gets busy so I thought I would reach out once more to see when we could get you and your child scheduled for our free trial class. We would love for your child to join our community of budding coders and unlock their inner genius! Please reply with your best contact info, and any questions I can help answer for you. Hi #First_Name! This is <Insert Your Name> at #Company. I hope you are having a great week! Have you had a chance to review the email I sent earlier? A coding education is truly an investment in your child! We are scheduling trial classes right now so if you'd like to try out a class before you commit, please reply YES!	Hey there! I know life gets busy so I thought to check in with you again to see if you were interested in our founding member offer and trial classes. Do you have any questions about our programs that I can help answer right now? We would love for your child to join our community of budding coders!	Hi #First_Name! This is <Insert Your Name> at #Owner. I hope your week is going well! You had filled out a form on our website to take advantage of our Founding Family promotion. I wanted to check in because I haven't seen a registration come through yet, and the discount is only available to the first 50 families! I want to be sure to secure your spot. Are you stil looking for coding class for your child?	Template in CRM: Pre Launch 4th FLUP	Template in CRM: Pre Launch 5th FLUP

Hi there! This is <NAME> at Code Wiz. It was great meeting you during the trial class! Just taking a moment to check in to see if you received my email with class schedule information? I know life gets busy. Are you ready to enroll <CHILDS NAME> in <CLASS> and get them on their way to changing the world?	Hi there <PARENT NAME>! I haven't heard back from you so I'm reaching out again to check in. We have a spot open on <DAY/TIME> and I would love to get you plugged in so <CHILDS NAME> can start working on their journey to becoming a coding genius. Does that time work well with your schedule?	Hello! I hope you are doing well! Do you have any reservations around enrolling your child with us? I am more than happy to jump on a call to answer any questions you might have about our program. Our classes are filling up and I'd love <CHILD's NAME> to join our budding coder community!	Template in CRM: TRIALS 4th FLUP - We'd Still Love to Help Your Child Unlock Their Inner Genius! TRIAL CLASS ROAD MAP - ADMIN

Pre Trial Class	For leads that don't book a trial directly, send a link to register OR offer to handle registration for the parent	After they sign up, auto emails from trial booking platform as well as the confirmation and reminder texts will be sent out. Verbiage should be the same (use template for emails and texts)	For all trial class leads, be sure to follow the Trial Leads FLUP steps and update the CRM	
Trial Student Showed Up	Trial Class Scripts - Stage 1 Welcoming the Student	Trial Class Scripts - Stage 2 Information Share w/ the Parent	Trial Class Scripts - Stage 3 Closing - Sales Pitch	Send Trial FLUP email and/or text message. Follow Trial Class FLUP steps and update CRM
Trial Class No Show	Send a text 5 minutes after checking in to see if they are going to be able to make it to their trial class	Send a text 30 minutes after “Hi there! I know things get crazy busy, I can reschedule <CHILDs NAME> for next week at <INSERT SAME TRIAL CLASS TIME> if that works with your schedule?	Send an email afterwards saying sorry we missed you! We would love to have you join us for a different time that works best with your schedule and send the booking link	Cancel the booking in trial booking platform within 24 hours of the missed trial class. This will also send them a cancellation alert and gives them a link to reschedule
Trial Class Conversion	Once they respond with the class time that works best with their schedule and are realdy to enroll, send them the direct booking link to that class/camp time so they can sign up straight from there	Update CRM to show the Lead has converted based on procedures		

COACH TRIAL CHECKLIST

Before Trial Class
Prior to their arrival, check their sign-up form for age, coding experience and reading ability
Know in advance the student's name, age and what they'll try out during the trial class
Gameplan for trial class, make sure accounts/computer is set and ready to go
During Trial Class
Engage with the student, introductions, what are they interested in, have they coded before, fears of coding - GET THEM TALKING
Ask them - If you could code anything, what would it be? (The Big Idea)
Set goal for the trial class itself on what will be accomplished by the end of the trial to show off
Get the student excited about coding and pour into their interests
***Note, if needed switch to a different platform if the student is too advanced or it's too challenging*
After Trial Class
Thank the student & parent for coming
Talk up the student to the parent about how awesome they did and have them show off the work they accomplished
Talk to the parent about what their child would do next
Assist Center Director with any technical questions parent may have
Warm goodbye with "I hope to see you soon in class Sandy!"
